I. Read the Deputy Commissioner's (Mr. Meiklejohn's) remarks on the 6th Resolution of the last meeting to the effect that the Members of the Sub-Committee formed for re-valuing the houses in order to assess tax on them more correctly being themselves house owners, the Vice-President should have been the President of the Sub-Committee.

It was never intended to divest the Vice-President of his powers of superintendence and control over this matter. The Members merely undertook to assist him in this tedious work, but feel disappointed at the remark as it shows a want of confidence in the Members and accordingly they unanimously resolve to record their remonstrance against it.

II. The accounts for July 1884 were read and passed.

III. With regard to the Market—Resolved that in consultation with the Executive Engineer a set of pillars be run up (as in Bangalore Market) in the centre of the building alongside of the side pillars which have at present to sustain a great weight and therefore give way to it occasioning repeated repairs.

* IV. Resolved that all Municipal works in the current year be given to Gulam Mohadin *alias* Roshan Sahib, his rate (which is 11 per cent less than the estimated cost) being the most favorable of those tendered to-day.

V. In conclusion the Board feel that they cannot dissolve this meeting before recording their appreciation of the very keen interest taken by the late Deputy Commissioner Mr. Meiklejohn in all matters Municipal. Really and truly the perseverance with which Mr. Meiklejohn attended to the Municipal affairs as evidenced by the cleanliness of the Town, the thriving condition of the belt of trees round it (which are calculated to prevent fever), the good state of the roads, the healthy appearance of the public garden, &c., &c. cannot be forgotten by the people of Chikmagalur, and as their representatives, therefore, the Members resolve to ask the Vice-President to convey to Mr. Meiklejohn their heart felt thanks for his exertions.
